- RSO announcements
- Student comments on research
- Faculty panel

RSO announcements

- SPS and SWIP have a coding workshop Tuesday 7-9pm on Zoom. We'll have different tasks for various skill levels.
- SWIP graduate school series: this Thursday 5pm they will have Kyle Nelli talking about getting letters of recommendation. Past presentations got recorded should get posted somewhere eventually.
- Next week SWIP has a TBD event and SPS is doing a grad student panel. SWIP also has some tea times coming up and SPS is working on pizza meetings. Check the respective emails for details.
