

# PHYS 110

- This is our last class!
- MediaSpace problems have delayed attendance updates

# RSO announcements

On Tuesday SWIP is holding a mental health workshop and SPS is holding a self care workshop.

SWIP has planned an intersectionality week. I attached the flier I just got below (getting this flier is why I'm sending this a little late).

Lastly this week in SWIPs Grad school series, Cammie Farruggio is talking about how to sell yourself as a strong applicant at 5PM on the 22nd.

Check the respective RSO's emails for Zoom links for everything.

Benjamin Mead: bfmead2@illinois.edu

A promotional flier for the UIUC SWIP Grad School Series. The flier has a light green background with orange and yellow circular accents. It lists a 9-week virtual series on how to apply to grad school and REUs, with a different guest speaker each week. The dates are Thursdays at 5 PM. The topics range from applications as a whole to research experience for undergraduates. A QR code is provided for Zoom access, along with the meeting ID and password.

UIUC SWIP PRESENTS...

## GRAD SCHOOL SERIES

*Join us this fall for a virtual 9 week series on how to apply to grad school and REUs! Every week we will have a different guest speaker!*

**DATES! (THURSDAYS AT 5 PM)**

- Week 1 (9/17): Applications as a whole (Meredith Foster)
- Week 2 (9/24 at 5:30 PM): Deciding on a degree (Jacquelyn Schmidt)
- Week 3 (10/1): What makes a good grad school candidate (Lance Cooper)
- Week 4 (10/8): Letters of recommendation (Kyle Nelli)
- Week 5 (10/15): How to get funded/fellowships (Claire Baum)
- Week 6 (10/22): How to sell yourself as a strong applicant (Cammie Farruggio)
- Week 7 (10/29): How to write a personal statement (Celia Elliot)
- Week 8 (11/5): How to find, reach out and talk to potential advisors (Nico Santiago)
- Week 9 (9/12): Research Experience for Undergraduates (Patrick Snyder)

**ZOOM INFO**

The series will be held completely online through zoom and can be accessed [here](#) or by using this QR code!  
Meeting ID: 915 9904 2223  
Password: SWIP
