

Homework Assignment #10, Written Proposal Reviews (2)

Critically evaluate the *two* proposals that have been assigned to you. Identify the proposals' strengths and weaknesses and its compliance with proposal preparation instructions, determine to what extent it conforms to the program objectives, and provide examples to justify your comments.

Using the [review form provided](#), write a review (*separate documents for each proposal*) and a recommendation for funding for each proposal. Each review should be at least 200 words.

Be prepared to lead the panel discussion for your two proposals during the proposal review session on May 2.

Due: **Friday, May 2, 2 PM**. Bring hard copies of your written reviews to class on May 2. They will be collected after class. Assignments not turned in during class will be downgraded. This assignment is not eligible for rewrite points.

Total—50 points
