

CS 498 Virtual Reality
Final Project Picture Title
Due: **Dec 21st, 2018, 11:59PM**

The project picture title is an image which should give an observer a good idea about your project, and what it intends to do. It has 2 major parts-

1. 2 or more pictures taken from your assignment, plus any other additional visual aides you find useful (stock photos, art, etc.)
2. The title of your project

Arrange these 2 elements into a single image that conveys the goal of your project. Submit this image to compass, **along with a short paragraph describing your project**. For examples of previous groups' picture titles, check out the "Project Gallery" link on the course webpage.

Please include all of your team members' netids and names in the submission
