Physics Department - University of Illinois

Name	Phone	Courses	Fee	Net ID	Qualifications
Matt Brinkley	cell - 217 552-0206	100-214	\$15/hr	mbrinkle	Phys grad student, rated excellent every semester taught, five years of teaching experience
Dan Carson	cell - 847 997-7415	101 - 212	\$10/hr	dcarson2	junior in specialized physics curriculum, 3.88 GPA, received an A in every physics class taken at UIUC
Danielle Chandler	cell - 309-333-4828	101-212	\$20/hr	dechandl	5th year grad student, TA in Phys 101/102 for six semesters, rated excellent, patient, good with non-majors
Cesar Chialvo	cell - 217 778-7138	101-212	\$15/hr	cchialv2	physics major, masters in physics, 5th year PhD student, two times Phys 212 TA and ranked as an excellent teacher by students
Jeffrey Comer	cell - 330 447-8998	100 - 214	\$15/hr	jcomer2	TA for 213/214 for three semesters, tutored one semester for this course
Gregory Damhorst	847 715-8792	102, 211, 212	\$10/hr	gdamhor2	senior physics majory, straight A's in math/physics, pre-med, got 14/15 on the MCAT physical sciences section, tutoring experience in 101, 102, 211
Bill Evans	cell - 801 318-7768	any undergrad course except Phys 212	you decide	wevans2	recently passed the physics qualifying exam, taught Calculus I, math or physics TA for the last 5 years, love teaching math and science
Yu Gan	cell - 410 236-1465	101, 102, 211, 212	\$20/hr	yugan3	3rd year grad student, taught 2 semesters of 212, rated excellent
Akshay A.Ghalsasi	cell - 217-979-9599	Math 221,231,241, Phys 211, 212	\$10-15/hr	aghalsaa2	A+ in the listed courses, 3.85 GPA, good explanatory skills. Awarded Best Student-Teacher in high school
John Hoffman	cell - 847 757-5840	Math 002-231	\$7/hr	hoffma24	5 on AP BC calculus exam, CHP student, physics major, enrolled in Math 285
Benjamin Hsu	office - 217-333-6258	100, 101, 102, 211-214	\$15/hr	bhsu2	tutored undergrad Eng/Pre-Med Phys sequences, TA for 101-102
Suffian Khan	cell - 407 702-4428	101-214, 48x, 460	\$15/hr	snkhan	grad student in physics with teaching experience
Anshul Kogar	cell - 310 623-0360	101-214	\$15/hr	kogar2	undergrad GPA in physics was 3.91
Stan Kondov	office - 244-2459 cell - 217 979-2501	101, 102, 211, 212, 140	\$15/hr	skondov2	eight semesters teaching labs and discussions
Ponnuraj Krishnakumar	cell - 512 743-1907	101-212	\$15/hr	pkrishn2	grad student in physics, two years of TA experience, tutored many students
Nicholas Langellier	cell - 217 494-2169	Phys 101-214, Math 220 - 241	\$10/hr	nlangel2	junior in Phys with a 4.0 GPA, A+ in all 200-level physics classes,, enjoys helping others with homework
Lulu Li	cell - 901 361-7386	Phys 101, 102, 211, 213, 325,427	\$10-15	lululi1	junior physics major with 4.0 GPA, love to work with people, tutor in calculus and physics for two years
Yehan Liu	217 721-3065	100-214	\$8/hr	yliu33	senior in physics with nearly perfect GPA in Phys/Math

Tutors, Fall 2009

Physics Department - University of Illinois

Name	Phone	Courses	Fee	Net ID	Qualifications
Ben Montet	cell - 708 224-6922	Phys 101 - 214, Maths 221-241, 285	\$12/hr	bmontet2	junior in Specialized Physics, 3.98 GPA, strong grasp of concepts and good explanatory skills
Philip D. Powell	cell - 812-240-5761	any undergraduate physics or math course	\$15/hr	ppowell2	fourth year graduate student, bachelor's degree from Harvard in physics and math, ten semesters TA experience in physics and math, rated outstanding, many years of tutoring experience
Scott Scharfenberg	cell - 652-8345	Phys 100-214 Math - advanced calculus or below	\$15/hr	sscha04s	senior in LAS Phys Specialized Curriculum, former class assistant in Math 231, current TA in Phys 140
Samwel Sekwao	cell - 217 766-8875	101, 102, 211, 212	\$15/hr	ssekwao2	4th year grad student, taught Phys 212 for five semesters
Arnav Shah	cell - 650 714-9191	Phys 211-212, Math 241, 285	\$10/hr	shah38	3.7 Math/Science GPA, class assistant in math 285
John P. Shevlin	cell - 494-7759	101-214, Math	\$20/hr	xxx	jpshevlin@gmail.com, extensive knowledge of college entry level physics
Daniel Sinkovits	cell - 815-236-3955	any undergrad physics course	\$20/hr ind	sinkovit	6th year grad student, TA for 102 and 212 (rated outstanding, tutored at Washington University and U of I for many years)
Alex Smith	cell - 207 272-4199	100-214	\$12/hr	xxx	alex.zelck.smith@gmail.com, masters degree in physics education rated excellent as a TA
Natalie Strand	office - 244-1523 (will tutor on campus from 9AM -5PM weekdays)	Phys 211	\$20/hr	nstrand	PhD in physics, postdoc with physics edu group at UIUC, TA for Phys 211 for six semesters , consistently rated excellent and outstanding (contact by email)
Olabode Sule	cell - 501 908-5327	any undergrad physics course except Phys 211	\$15/hr	sule1	1st year grad student, currently a TA in Phys 211
Sukrit Suksombat	cell - 217 - 419-5761	101-102	\$15/hr	ssuksom2	rated outstanding TA all semester he has taught, lots of tips, tricks and examples, very patient and friendly, available weekends only
Rebecca Tippens	cell - 847 962-1217	Math 012, 016, 221, 231, 241	\$10/hr	tippens1	patient and friendly physics major, three years experience tutoring math and chemistry
Georgios Tsekenis	cell - 217 721-8930	any physics course	\$20/hr	gtseken2	6th year grad student in physics, TA in many undergrad and grad courses, evaluated excellent, tutored many happy students
Dervis Can Vural	cell - 217-714-8410	all undergrad level Phys courses	\$20/hr	vural	Phys grad student, taught seven courses, ranked excellent
