

Midterm 2 Info & Extra Problems (not for points)

Info : • Midterm 2 covers { lecture, discussion, homework } from weeks 7 – 11.

- The formula sheet is **Formulae-487-Midterms.pdf**, specifically the part **under** the “not on Midterm1 ↓” line . You also get the 1DMath formula sheet.
-

Practice Problems (not for points, on their way) :

- these problems are not for points
- these problems are **not a comprehensive survey of Midterm 2 material!**

Your primary study materials are { lecture, discussion, homework } from weeks 7–11.
